

In The Field

inspired. 2021

“ She considers a field and buys it; out of her earnings she plants a vineyard. ”

Proverbs 31:16

SEEDS FOR INSPIRATION

From the beginning of time God has connected his people to land. All throughout the Old Testament we read of the children of Israel as they contend for their promised land. The story includes all sorts of twists and turns, ups and downs, victories and defeats. Some of which came as a result of their enemies and some as a result of their own doubt, lack of commitment or sin. But none it changed God's original covenant with, love for or promise of land to them. That covenant, love and promise carries over to you and me. Today I want to remind you that you have been given authority over your land, over your field. Like in the story Shammah in today's scripture reading, stand your ground and don't allow anything or anyone to distract you or rob you of its potential harvest. Most importantly stir your faith today, plant your feet and faith and stand grounded in the authority God has given you in your field.

PRAYER

Father, today I remind myself that you have given me all power and authority. I choose to stand my ground in the places that You have purposed for me. By your Word and your Spirit I take authority over and defeat every enemy that would try to steal my harvest. You are my source for all things. I ask you for both strength and courage to continue to stand my ground. Thank you for always standing with me and helping me to see victory.
