“ She considers a field and buys it; out of her earnings she plants a vineyard. ”

Proverbs 31:16

## SEEDS FOR INSPIRATION

Seeds of Faith.- Big things start small, an orchard starts as one seed, a baby is simply a seed planted in a woman, and your faith, that has the potential to move mountains, starts as a seed. Jesus tells us in Matthew that if we have faith like a mustard seed, we can tell the mountain to be moved! Mustard seeds are one of the smallest seeds but with time and the right environment, produce a plant that is so big that birds can nest in them. It's interesting that Jesus would use a small, seemingly insignificant seed to be likened to our faith. Your faith has the potential to grow into something significant if you are willing to put it in the right environment! Plant it, water it with the Word, and let the warmth of the Son shine on you - your faith is bigger than you think!

## PRAYER

*Father, I thank you for the small things in my life. The seeds of your Word, that they don't stay dormant, that they don't die in the process but that they are planted in the good soil of my heart and will bring forth good things and bear much fruit. Father, I thank you today my faith is bigger, stronger, and more powerful than it was yesterday because it is mustard seed faith and mustard seed faith can do the impossible! AMEN*
